TUCCI BLACK/60X120/P

Tucci

Although inspired by Carrara marble, this collection stands out for its bold patterns. The choice of sections that inspire the TUCCI are notable for their dazzling white background, crisscrossed with bold veins in shades of black and gold. The high gloss TUCCI collection features the Carrara Selecto Marble pattern in two colours: TUCCI BLACK, with clear yet delicate black veining on a white background adding a strong sense of character, and TUCCI GOLD, with golden tone veins that stand out against the background, creating a warmer effect whilst retaining all its unmistakable character.
