

SONAR

SONAR SILVER/22,3 · SONAR SILVER DECOR/22,3

A porcelain tile collection with a cement and stone-inspired matt appearance and shiny speckles that lend dynamism to surfaces. Its available formats have been extended with the addition of a new 11x22cm format, combinable with the 22x22cm one on walls and floors. The collection comes in a unique SOFT finish, whose technical properties are perfect for all kinds of settings. The 22x22cm format is complemented by a décor with a subtle geometrical pattern for dressing up surfaces in decorative style or combining with the field tiles.

Colección porcelánica de aspecto cementado pétreo mate con incrustaciones brillo que aportan movimiento al conjunto. Ampliamos formatos en porcelánico con un 11x22 cm que modula con el 22x22 cm, perfecto para combinar en pavimento o para revestimiento de superficies. Su acabado SOFT es único gracias a sus características técnicas óptimas para todo tipo de espacios. El formato 22x22 cm se complementa con un decorado de estética geométrica suave tono sobre tono para superficies decoradas o para mezclar con la base.
