Macchia Vecchia

MACCHIA VECCHIA is the outcome of a quest to create a collection with a white surface crisscrossed by strong grey and gold veins that emulates Carrara marble. It unites the beauty of Carrara's singular design with the advantages of cutting-edge 4D technology, capable of lending the tiles a silky natural feel in combination with a Premium Polished finish, the most mirror, like shine in the Museum range. Thanks to the broad range of tiles in the collection, a high degree of versatility is ensured through multiple different combinations that always stand out for their deluxe elegance.
