

ONIX PEARL/75,5X151/EP

Onix

ONIX's spectacular pattern comes in an innovative 75,5x151 cm format. Thanks to its size and gloss finished, it can be used to decorate large surfaces in apparent seamless style. Its pattern is inspired by onyx, a semiprecious stone appreciated since ancient times for its eye-catching beauty. Today it is one of the most up-to-the-minute deluxe coverings. ONIX comes in PEARL, a luminous mixture of cream, pearl and beige, with a background in white shades and a warm-coloured veined pattern.
