GREYSTONE SMOKE/2/90X90/EP — GREYSTONE ARGENT/75.5X151/EP

## Greystone

The exclusive collections in the MUSEUM range bring varying natural effects to larger-format tiles, improving on the finest examples of their natural counterparts. This is the case of Greystone, a collection inspired by classic marble in shades of grey, in this case with finer veining than the real McCoy to ensure a more restful look, suitable for a wide variety of settings. A collection designed with meticulous attention to detail, Greystone comes in a choice of two background colours, SMOKE and ARGENT, in a 60x120cm, 90x90cm or 75.5x151cm format in a natural or polished finish.
